I CURE FITS!

When I say cure I do not mean merely to stop them for a
time and then have them return again. I mean a radical
cure. I have made the disease of ST. VITUS or FALL-
ING SICKNESS a life-long study. I warrant my remedy to
cure the worst cases of a cure. Read at once for a
cure. For full and complete information, send at once for a
treatise and a Free Bottle of my infallible remedy. Give
proper attention to the directions. It cures you nothing for a
trial. I will cure you. DR. E. O. BOWEN, 121 First St., N.Y.

W. & T. SMITH, PROPRIETORS.

We claim great advantages for the soil of Geneva and vicinity, in the production of
Healthy, Long-Lived Trees. This is a matter of great importance to every planter. Not a
year passes that we do not receive additional testimony of the fact that trees grown upon
our heavy, strong, rich, well-drained soil are healthier, longer lived, less liable to injury
from extreme cold, and more productive than when taken from a light soil. Another
very important fact is that being furnished with a more abundant supply of healthy,
well-ripened and fibrous roots, they bear transplanting to a different soil and climate
much better.

All persons authorized to act as Agents for us, are provided with a written certificate
to that effect, and we request that they be required to show their certificates. Stock is
not unfrequently sold by persons without authority, and not furnished from the place
they pretend to represent; by which means many poor trees and plants are distributed,
causing great dissatisfaction and disappointment. BUY GOOD STOCK OF RELIABLE
MEN, and this may be avoided.
